THEMIS

GO Term

- positive T cell selection
- T cell selection
- T cell receptor signaling pathway
- antigen receptor-mediated signaling pathway
- T cell differentiation
- immune response-activating cell surface receptor signaling pathway
- immune response-regulating cell surface receptor signaling pathway
- adaptive immune response
- lymphocyte differentiation
- immune response-activating signaling pathway
- mononuclear cell differentiation
- immune response-regulating signaling pathway
- T cell activation
- activation of immune response
- leukocyte differentiation
- COP9 signalosome
- cell-cell junction
